BRISTOL AIRPORT CAREERS ARE FLYING HIGH
Jobs Fairs to attract local people

Following the success of similar events, Bristol Airport will be hosting two jobs Fairs to showcase the range of job opportunities on offer. The Airport will be teaming up with business partners based across its site at the two events – one in February and one in March, giving prospective candidates the chance to find out more about the different roles available and the skills and experience required.

Around 4,000 people are employed at the Airport, which handled over 8.7 million passengers in 2018. But, with approval to develop facilities to handle up to 10 million passengers per annum in the future, the workforce is forecast to grow.

The Jobs Fairs will provide a 'one stop shop' for anyone interested in working at the Airport, with many of the different employers on site represented, including security provider, ICTS, food travel experts - SSP and The Restaurant Group (TRG), ground-handling specialists, DHL and Swissport and duty-free shopping operator, World Duty Free.

Jobs on offer range across customer service, security, catering and retail, many of which are shift work roles on a permanent and fixed term seasonal basis.

The Jobs Fairs will be held on the following dates:

- Tuesday 26 February, from 1000 until 1300 at Weston College, Knightstone Campus, Knightstone Rd, Weston-super-Mare BS23 2AL
- Thursday 7 March, from 1000 until 1300 at South Bristol Skills Academy, Hengrove Park, The Blvd, Bristol BS14 0DB

To find out more about these events, please register your interest:
