PRAYER

We thank you that Jesus taught us to ask for our daily bread. We praise you that you are longing to give us what we really need. We confess that we are hungry people. We are hungry for hope and for joy; for peace and for pleasure; for success and for achievement; for health and for strength. We praise you for bread for our bodies and also for food for our minds. We thank you that you give us love that we might grow in faith, hope and love. Lord, we offer this prayer in your name. AMEN
