**Good News (ish) Story** – We have been attending the Weir at Congresbury following reports of ASB and requested the assistance of the Bedminster Fire and Rescue Team to remove the rather dangerous and precarious Swings that had been erected, the team did indeed attend and to the best of their abilities removed the swings.

### Crime Updates:

This month has sadly seen another rise in our Allotment sites being the victims of burglary's and Criminal Damage, as a result we are think of proposing to your various sites about creating a Neighbourhood Watch of the allotments if the owners of the allotments think it will work ?? We are still seeking some Stickers to attempt to deter these people, but ask that you remain vigilant and report all incidents individually so we can obtain a correct idea of just how many victims we have. **IF YOU DO SEE SOMETHING SUSPICIOUS THEN PLEASE DO REPORT IT ASAP, PLEASE DON'T ASSUME SOMEONE ELSE WILL CALL.**

**ASB Issue!** We have had reports relating to ASB and damage at the Ladymead Recreational Grounds and sadly still at the Weir, so our team patrols have been targeted towards these areas and words of advice have been given to people where appropriate

### Neighbourhood Watch Potential ?

During the COVID Lockdown some Fabulous Community Groups have been created in the area, as the restrictions lift we are hoping to keep them running as NHW Programs, this could include your allotment areas too!

<https://www.ourwatch.org.uk/>

### Diversity Groups & Individuals

We are striving to include all diverse groups within our newsletter circulation.

If there are groups or individuals who you feel would benefit from our newsletter please contact us via the details above and we will include you in our distribution list.

### Our high target patrol areas will include;

The Weir at Congresbury continues to be an issue in the nice weather. We would ask that any issues there be reported via 101

The Ladymead Recreational Grounds which has been experiencing ASB and Damage.

Our various Allotments sites which seem to be experiencing Thefts and Criminal Damage.

Please let us know anywhere else you feel would benefit from more regular patrols from the team.
