

Community Interest Company No. 6735733

Help Wanted- Volunteer Director, Strawberry Line Cafe

The Strawberry Line Cafe CIC is looking for new Directors.

The Strawberry Line Cafe is a not for profit Community Interest Company with paid employees in its cafe and cycle hire at Yatton Station. It exists to employ and train adults with learning disabilities. The buildings are on a main line station and are leased from Network Rail and GWR. It has been open ten years and has a good reputation locally, and across the rail network, and has won many awards and even featured on the BBC's One Show.

The cafe has a paid manager, and the cycle hire also has a paid project manager. The current volunteer Directors are responsible for employing the staff, taking care of the building, and all aspects of finance and legislation.

We are looking for people who have a few hours a week to spare. You may have an interest in people with learning disabilities or railway heritage but this is not essential, although we are particularly keen to have a Director with an interest in cycling. Experience of running a small business or being on the board of a charity would be ideal.

We are looking for people with the following skills:

Business skills- financial forecasting and planning, cashflow, financial reporting, tax, employment practices experience

Marketing skills- including networking, website, social media, press experience

Secretarial skills- meeting minutes, reports and organisational skills, computer literacy

The Cafe is a unique place and needs more help and energy to take it into its next decade.

Please email strawberrylinecafe1@gmail.com telling us why you would like to join the team, or call Natasha on 01934 420071 with any questions you may have.
