Renewable energy consultation in Congresbury & Puxton

A public workshop was held in January...

Residents suggested ...

New solar panels + wind turbines by M5

Expansion of four existing solar farms

Have your say on the workshop suggestions **online**. Consultation is open until 17:00 on **Monday 14th March**. Call 0117 934 1400 for a paper summary and form if needed. Your comments will influence North Somerset Council's renewable energy policy development.
