

Congresbury Cricket Club

New cricket nets: 22nd August to 1st September 2022

This project, to enhance and improve women's and junior cricket, was a culmination of a number of years planning and was completed by Exclusive Leisure.

It would not have been possible without the financial support of:

- **England Cricket Board and England & Wales Cricket Trust**
- **North Somerset Council and Congresbury Parish Council**
- **Bristol Airport Community Fund**
- **King George V Playing Fields Trustees**
- **Tony Coles Trust**

In addition too many individuals to mention who donated via a range of fund raising activities and / or their time and expertise

Thank you!

Geoff Wilcock
