A prayer for people facing difficulty

Loving Lord, we lift to you those who are suffering in body, mind or spirit. So many people are facing all kinds of trials due to ill health, conflict, poverty and injustice. As Jesus teaches us in the Lord's prayer, we ask that your kingdom come, and your will be done on Earth as it is in Heaven. Please comfort those who are in despair and help your followers be moved with compassion to share your love. Amen.

My thoughts for this week We have had a lovely spell of weather lately. Beautiful sunrises and even lovelier sunsets. We marvel at creation the flowers spring into life in just a few weeks, I sometimes have to take a deep breath and remember it is all made by God's hand. We look after the land if we are farmers or gardeners but how much is just spoilt by pollution, waste dumps, rubbish left at beauty spots, beaches etc. we seem to live in a society where we expect other people to deal with our mess but we should take the responsibility ourselves. God gave us the responsibility to look after this world but the appetite for making more money has stopped us caring as much as we should, there are cases of water ways polluted by the companies obsessed with profit margins. I remember my parents saying things were better years ago. maybe they were before we had Sunday opening and late night shopping.

When we see the devastation of conflicts around the world how can we say we are looking after the planet as we were intended to, maybe we need to rethink a few things.

Thought For The Week

May I never forget on my best day that I still need God as desperately as I did on my worst
