All Souls' Services 2026

Each year we gather around All Souls' to remember loved ones who have died and to commend them once again to God's loving care. These services offer a gentle opportunity to give thanks for those we miss, hear their names spoken aloud, light candles in remembrance, and renew our hope in Christ.

Everyone is welcome, whether your bereavement is recent or many years ago, and whether or not your loved one's funeral took place in one of our churches. This year's services are:

- **St Andrew's, Banwell - 4.00pm, Sunday 25th October**
- **St Andrew's, Congresbury - 4.00pm, Sunday 1st November**

If you would like someone to be remembered by name during the service, please submit their name using our online form:

<https://forms.cloud.microsoft/e/4bJpBi5XQs>
(or scan the QR code).

If you are unable to access the form, names may be submitted by email to admin@newcreationchurches.org.uk.

Please note that **by submitting a name, you are giving permission for it to be read aloud during the service**. If the service is livestreamed or recorded, names may also be included in the broadcast and any recording made available afterwards.

We encourage you to invite family members, friends, neighbours, or anyone who may find comfort in this special time of remembrance and hope.

All are warmly welcome.

Prepare, Cook & Eat! Summer Success

Our two Prepare, Cook & Eat! summer sessions have once again proved a popular holiday activity for local families.

Held in The Refectory, the sessions **welcomed more than 30 children and their families** over the summer. Together we prepared a variety of delicious **afternoon tea treats**, with plenty of opportunities to **learn new skills, make friends and enjoy time together**.

A particular highlight was seeing members of our congregation join us to sample the afternoon teas, creating a wonderful atmosphere of fellowship across the generations. It was encouraging to see families, church members and volunteers sharing conversation and enjoying the fruits of everyone's hard work.

We would like to say a **special thank you to our Youth Worker, Caz**, who organised the sessions, **and to all those who volunteered their time** to help make them such a success. We are also extremely **grateful to everyone who has donated money, ingredients and other supplies to support** this valuable community-focused ministry. Your generosity enables us to continue offering activities that bring local families together and help strengthen connections within our community.

Thank you to everyone who took part, supported, contributed and encouraged us along the way. We look forward to future opportunities to gather, cook, share food and build community together.
