

Trinity Singers

We are a friendly, well-respected and inclusive 4-part choir, meeting in Churchill Primary School on a weekly basis to prepare for two main choral concerts and other smaller events during the year (including for Christmas). Our next term starts at the beginning of September under the baton of our highly experienced new musical director, Simon Lovell-Jones (also the MD of Llandaff Cathedral Choral Society), with an exciting programme of music.

We are now looking to increase our membership in all parts, with new recruits to the tenor section particularly welcome. If you are an enthusiastic singer, able to competently read music and commit to weekly rehearsals, and are looking to join a choir, please do consider us! Practice tracks are provided to enable 'homework' and music is either provided or emailed. A small monthly sub is collected by standing order.

Our repertoire includes sacred and secular music, ranging from the Latin Mass to original arrangements of 'folk' through new compositions and even some show scores – something for everyone!

For further details see our website: trinitysingers.co.uk
If you decide to come along and give us a try for a few weeks, a regular choir member will act as your mentor and support you through the informal audition process.

Our next concert will be on November 14th at All Saints Church Wrington at 7.30, for those who would like to come along and hear us first.
